

**Climate change
is a fact!**

Oh look
honey

our beloved
home is over
there.

Breathe,
breathe
deeply, we
now have the

Come, come
Jacinto, cheer
up ...

the water is warm,
there is still room for
swimming and with a
little luck you can find
some interesting
objects.

TOTÉ

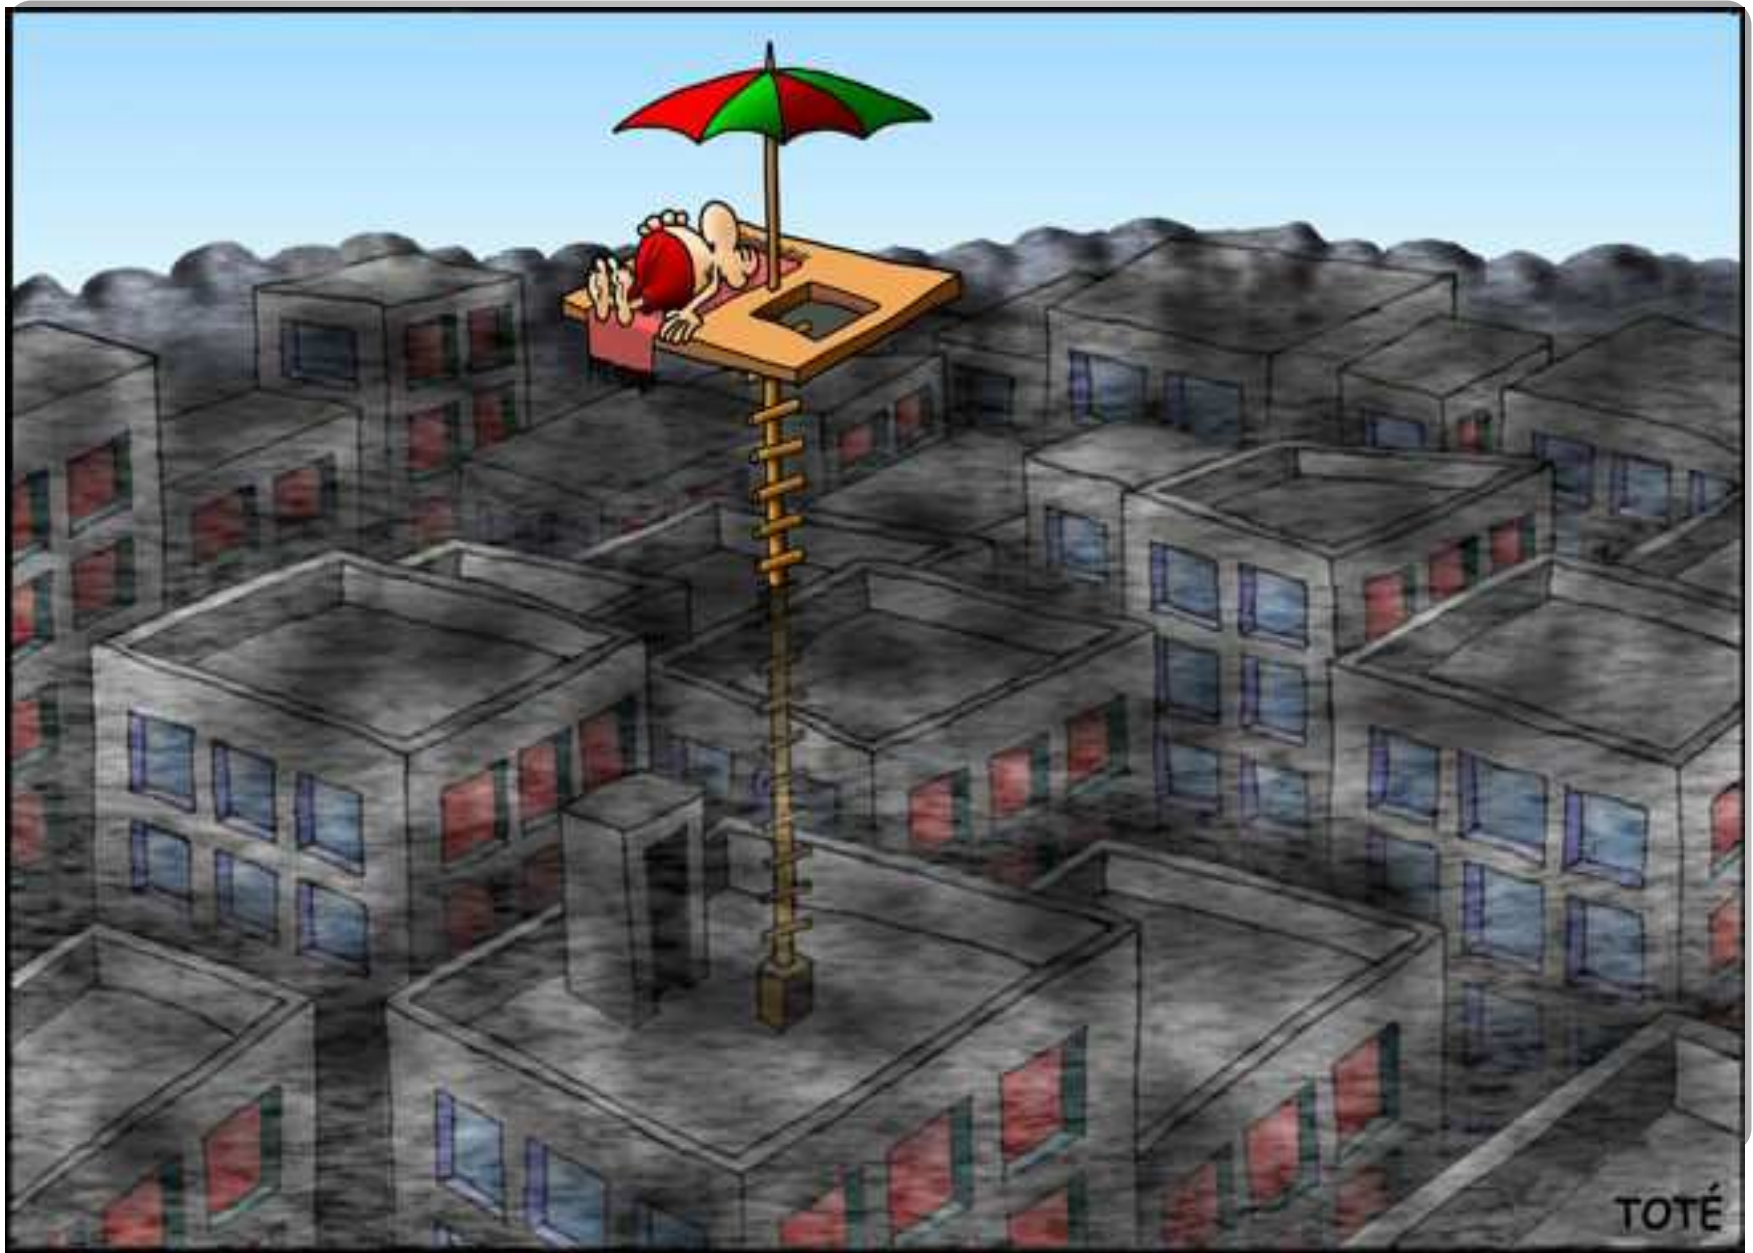

TOTÉ

Well, the truth is I do not quite understand what this climate change is.

Oh, wonderful nature!

What a beautiful planet.

Do you not think so?

Yup...

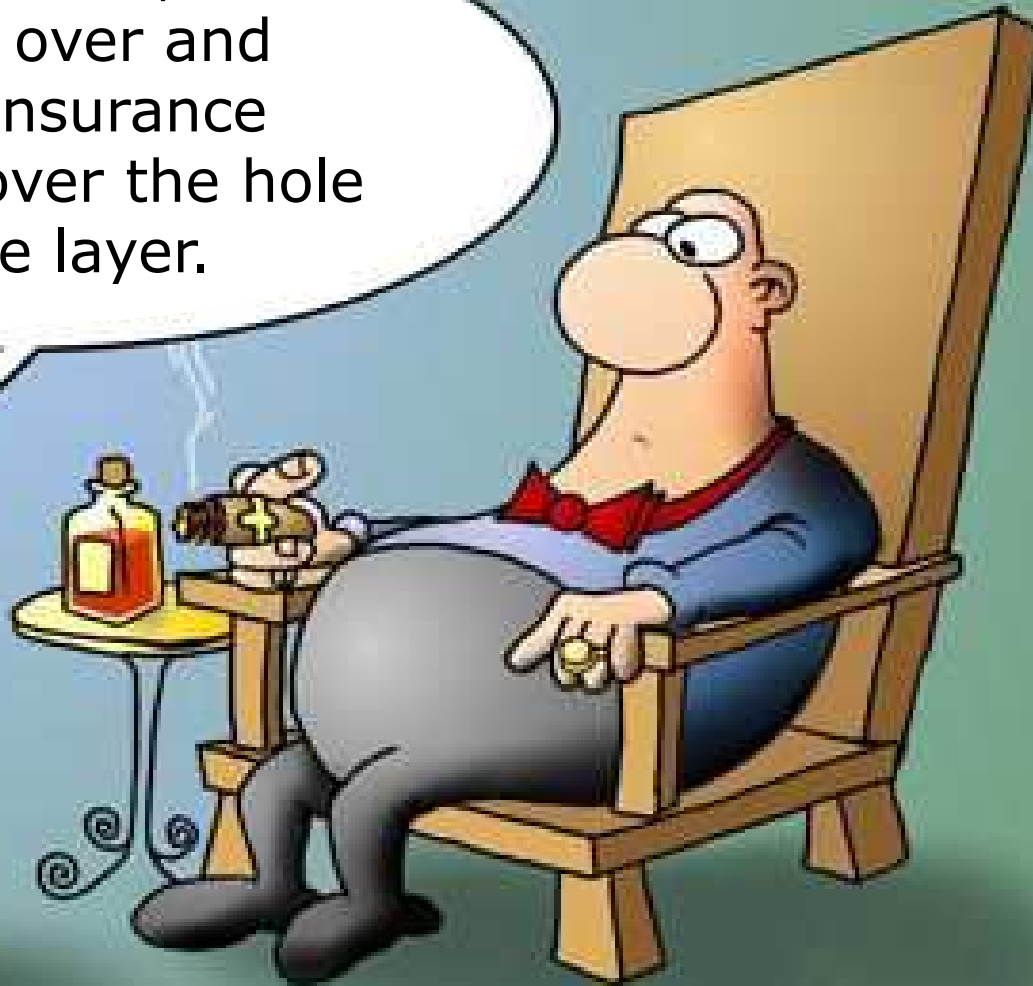

TOTÉ

IMMMMMMMMM!

TOTÉ

Sorry Sir Athaulf, but even going over and over, your insurance does not cover the hole in the ozone layer.

TOTÉ

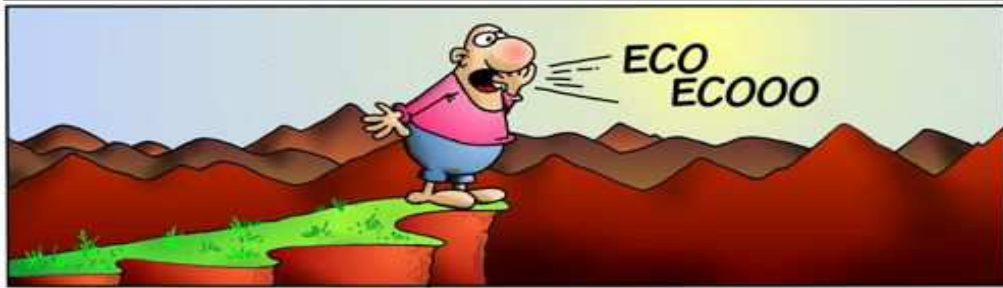

This planet has become loathsome.

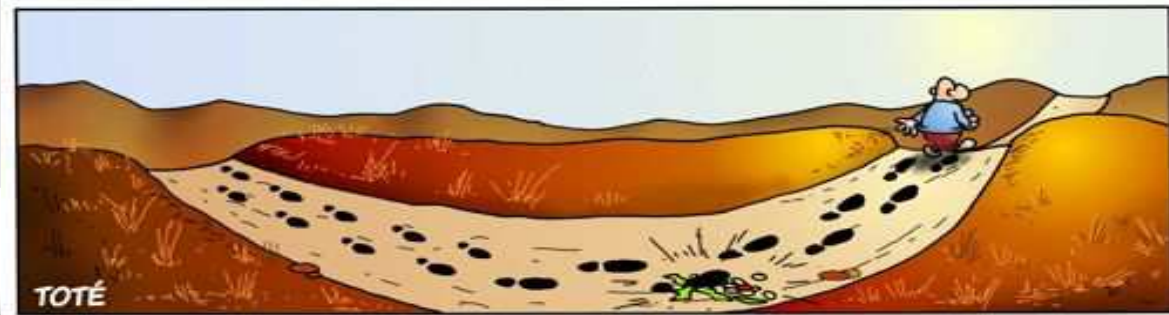

What, an environmentalist?

No, an unemployed sweeper looking for job.

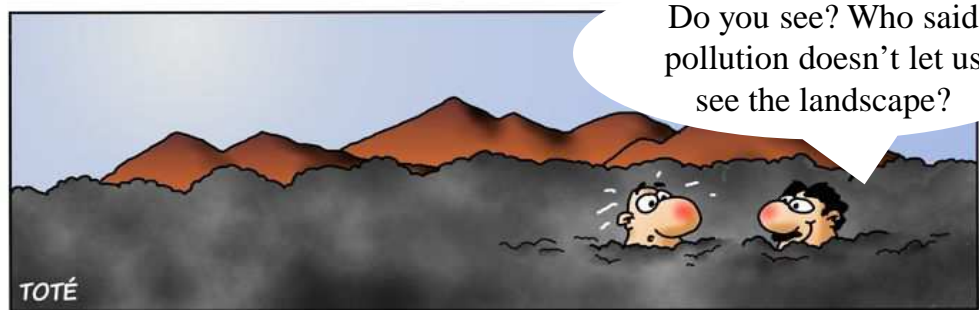

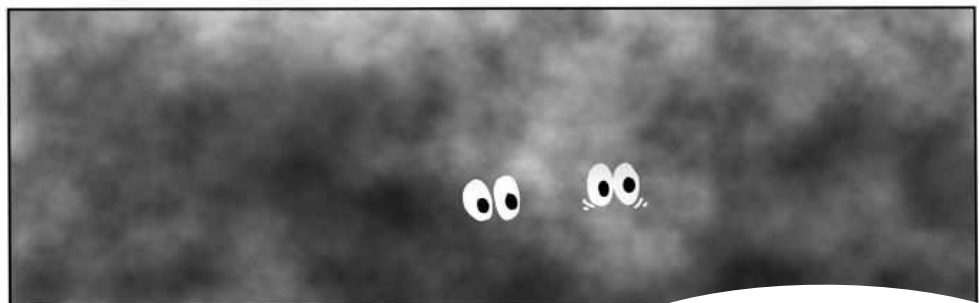

TOTÉ

Well, yes
my good
man.

We are just developing a
comprehensive renovation
plan of your land and of
the whole region to make
the future better.

Whose
future?

Yours or
ours?

TOTÉ

Well, look at it from another point of view.

Now that we have all gotten the river to dry, we will have for us a bridge for shelter when it rains.
